

Amrit Lama Syangbo

Jeetpursimara - 22, Nepal • Tel: + (977) 9869777121 • Email: fenpadorje7@gmail.com • LinkedIn: <https://www.linkedin.com/in/amrit-lama-syangbo-ab50a5266/>

Experienced and resourceful Front-end Developer (React Developer) with a year of hands-on expertise. Accomplished at designing and implementing robust React components, optimizing application performance, and ensuring seamless integration with backend systems. Thrives in dynamic environments, demonstrating exceptional adaptability, flexibility, and a proven ability to collaborate effectively within cross-functional teams. Committed to staying abreast of industry trends and emerging technologies to drive continuous improvement. Please do visit my portfolio website to see my works. WORK EXPERIENCE

2023 – current	<i>React Developer</i>	Freelance	Remote (Nepal)
	<ul style="list-style-type: none">▪ Designed and developed responsive and visually appealing user interface using React.▪ Leveraged component-based architecture in React to create modular and reusable code structure.▪ Utilized media queries and responsive frameworks such as Bootstrap, Tailwind CSS for consistent styling.▪ Implemented client-side routing using React Router for seamless navigation within single-page application▪ Utilized version control system such as Git for collaborative development and code management.▪ Implemented state management and data flow to ensure efficient and scalable applications.▪ Integrated frontend components with backend APIs to fetch and display dynamic data.▪ Engaged in self-directed learning to explore new libraries, tools and methodologies to meet client's requirements.▪ Collaborated with clients to understand project requirements, goals and specification.		
2020 – 2022	<i>Tutor</i>	Home Tuition	Amlekhgunj (Nepal)
	<ul style="list-style-type: none">▪ Provided one-on-one and group tutoring sessions for elementary students in core subjects such as Mathematics, English, Computer and Nepali.▪ Delivered excellent results by students on subjects which are covered in tuition classes.▪ Tailored learning plans to individual learning styles and needs, ensuring a personalized and effective learning experience▪ Maintained detailed records of student performance and communicated progress to parents and guardians.		

RELEVANT SKILLS

- **Computer skills:** Text Editor/IDEs (Visual Studio Code), Microsoft Office, Command Line Interface (CLI), Version Control System (Git), Package Manager (NPM), Browser Developer Tools (Debugging, Inspecting)
- **Technical:** HTML/CSS, JavaScript, React.js, Redux, Github, Webpack, Bootstrap 5, Tailwind, Framer-Motion, Figma, TypeScript (Basic), Github
- **Professional/Social:** Teamwork, Collaborative Problem-solving, Communication, Active Listening, Attention to detail, Time Management, Initiative in Learning, Networking, Responsibility and Accountability, Adaptability
- **Languages:** Native Language (Nepali), English (Proficient), Hindi (Decent)

EDUCATION

2020 *Web Technologies* Self-Taught (Amlekhgunj [Home], Nepal)

After building several mini projects with HTML, CSS, and JavaScript, I expanded my knowledge into React.js, Bootstrap, and Tailwind CSS for dynamic interfaces and responsive design. Incorporating Figma for design and Framer Motion for animations, I'm now delving into TypeScript for enhanced code robustness. This journey empowers me to create modern, feature-rich web applications.

2019 *Programming* Self-Taught (Amlekhgunj [Home], Nepal)

I learned basic web development (HTML, CSS, JavaScript) through YouTube tutorials and free platforms like The Odin Project and FreeCodeCamp. These resources provided dynamic visual learning and structured curriculum, enabling hands-on practice through real projects. This self-directed approach not only built my foundational skills but also fostered a continuous learning mindset essential in web development.

2018 *Higher Secondary Education* Hetauda Campus (Hetauda, Nepal)
